

IAS PRELIMS

SIMULATOR TEST- 2026

FREE FOR BENGAL STUDENTS

Dear Candidates,

Every year, lakhs of students fail the Prelims—not due to lack of knowledge, but because of **pressure, poor time management, and exam-day panic**. Don't let that happen to you. The **Prelims Simulator Test** is specially designed by me to prepare you for the real UPSC battle. This is a **completely FREE initiative for West Bengal students**, aimed at simulating the actual UPSC exam environment and ensuring that **more IAS & IPS officers emerge from Bengal**.

Attempt 10 full-length simulator tests, strictly based on the UPSC pattern, conducted offline across 14 centers in West Bengal, with exact exam timing (GS: 9:30–11:30 AM | CSAT: 2:30–4:30 PM) to recreate real exam conditions.

Remember UPSC doesn't test your knowledge alone — it tests your temperament under pressure. So, REPEAT 24TH MAY 10 TIMES — BEFORE 24TH MAY

REGISTRATION: FREE

TEST FEE: FREE (Only for West Bengal Students)

Thank You

S.A. Majid Sir -Ex-Vajiram & Ravi

Co-Founder & Director, RICE IAS

How the Questions are Designed

- 1. Deep Integration of Previous Year Questions (PYQs):** The foundation of our test lies in UPSC PYQs analysis. Topics are carefully selected based on trends, ensuring coverage of areas with a high probability of appearing in Prelims 2026.
- 2. Strong Current Affairs Mapping (Last 1.5 Year):** Themes that have repeatedly appeared in current affairs are comprehensively covered, ensuring you are prepared for the most relevant and dynamic portions of the exam.
- 3. Multi-Exam PYQ Research (Beyond UPSC CSE):** Extensive research of PYQs from exams like CAPF, CDS, NDA, Geo-Scientist, and other UPSC exams helps identify hidden trends and probable topics.
- 4. Focus on High-Probability & "Sure Shot" Areas:** The test emphasizes expected and high-weightage topics, increasing your chances of facing familiar concepts in the actual exam.
- 5. Latest UPSC Question Framing Techniques**

Questions are designed using modern UPSC styles such as:

- Statement-based (2/3 statements)
- Assertion-Reasoning
- Match the Following (Multi-column)
- Elimination-based tricky options

This ensures you are fully prepared for the changing and unpredictable nature of UPSC questions.

Key Features of the Simulator Test

- 1. 5 Stress Management Sessions by Majid Sir:** Specially designed sessions to train your mind for the real UPSC pressure, helping you stay calm, focused, and confident during the crucial 2-hour exam window.
- 2. Personal Mentoring & Guidance After Each Test:** Get individual-level guidance after every test to identify your weak areas, improve decision-making, and avoid repeated mistakes.
- 3. Detailed Question Paper Discussion Classes:** Each test is followed by an in-depth discussion to help you understand the logic, elimination techniques, and UPSC thinking pattern behind every question.
- 4. 5 High-Impact Strategy Classes:** Learn proven strategies on attempt planning, intelligent guessing, CSAT handling, and time allocation to maximize your score.
- 5. Detailed Explanations & Value Addition Materials:** Comprehensive solutions with concept clarity, important facts, and exam-oriented insights to strengthen your preparation.
- 6. Detailed Feedback & Ranking System:** Track your performance through All India-level ranking, accuracy analysis, and improvement areas, ensuring continuous progress.
- 7. Real Exam-Like Environment:** Experience the same pressure, silence, and discipline of the UPSC exam hall to build strong pressure-handling ability.
- 8. Strictly Based on Latest UPSC Pattern:** Questions are designed exactly as per the latest trends, difficulty level, and unpredictability of UPSC Prelims.
- 9. Exact UPSC Timing Simulation**
 - **GS Paper:** 9:30 AM – 11:30 AM
 - **CSAT Paper:** 2:30 PM – 4:30 PM

Train your body and mind to perform at the exact time of the actual exam.
- 10. Complete Offline Mode:** No distractions. No shortcuts. Only serious exam discipline, just like the real UPSC environment.
- 11. Master Time Management & Eliminate Exam Fear:** Learn to manage time efficiently, reduce panic, and build confidence so that you perform at your best on 24th May 2026.
